PROFILE

MUHAMMAD NUR SYAHMIE AMIRULLAH BIN NOR AZAR KAMAL

No. I/C : 030818-06-0403
Address : Taman Lagenda 2, Jalan Pasir Mas, 17500, Tanah Merah, Kelantan.
No. Tel : 011-1300 9796
Email : b032210380@student.utem.edu.my

MY OBJECTIVE AND CONTRIBUTION

Bachelor of Computer Science (Database Management) student seeking an internship opportunity from 6 October 2025 to 20 March 2026 in the Information Technology field. I aim to apply and expand my skills in database development, data analysis, and software engineering. I bring a strong academic record, leadership background, and eagerness to learn and grow within a dynamic IT environment.

ACADEMIC AND QUALIFICATIONS

2022-2026 Universiti Teknikal Malaysia Melaka (UTeM)
CGPA: **3.64**

2021-2022 Kolej Matrikulasi Pulau Pinang
CGPA: **3.67**
MUET: **Band 4**

EXPERIENCE

Final Year Project | 2025

- Developed a system integration project utilizing API communication.
- Implemented using Node.js (backend), React (frontend), and MySQL (database) on an Ubuntu (Linux) environment.
- Focused on creating efficient, scalable, and secure system interactions.

Workshop II Project | 2024 - 2025

- Collaborated in a group project requiring cross-platform database integration between Windows and Linux systems.
- Worked with both MySQL and MariaDB databases.
- Designed and developed a web-based system using HTML and PHP for front-end and back-end operations.

Workshop I Project | 2023 -2024

- Completed an individual project focusing on database-driven application development.
- Developed a system in C++ with MySQL database integration.
- Emphasized strong logic building and database management skills.

AWARDS RECEIVED / ACHIEVEMENTS

Academic Awards

- Received Dean's List Award at UTeM, year 2023 & 2024.

SKILLS

Technical Skill

- Proficient in Adobe Photoshop, Lightroom, and CapCut for image and video editing.
- Skilled in programming with Java, C++, PHP, and HTML.
- Experienced with database management using Oracle, MySQL, and MariaDB.
- Comfortable with both Windows and Linux operating systems.

Soft Skill

- **Leadership:** Appointed as Project Director for *Malam Kesenian Islam Pesta Convo*, leading a team and managing the entire event.
- **Teamwork:** Actively participated in group projects, collaborating with teammates to successfully develop various systems.
- **Communication**: Served as team leader for multiple group projects, ensuring clear communication and coordination among members.
- **Problem-Solving:** Regularly resolved organizational issues in leadership roles, particularly as an Exco Head, improving team operations.
- **Time Management:** Consistently completed tasks and assignments before deadlines through effective planning and prioritization.

Language Proficiency

Language	Spoken	Written
Bahasa Melayu	Fluent	Fluent
English	Fluent	Fluent
Arabic	Basic	Basic
